

Dr Kyriakos K. Papaioannou
Professor Emeritus of Civil Engineering, A.U.TH.

GRADUATE AND POSTGRADUATE STUDIES

- Chemistry (AUTH* 1960-62)
- Civil Engineering (AUTH 1963-68)
- Phd (Fire Engineering AUTH 1984)

- Postgraduate Research (Sabbaticals)
- Fire Research Station –Borehamwood UK (1980.1984,1994)

ACADEMIC CAREER

- Lecturer in Building Construction and Materials in Civil Engineering Department of AUTH (1975-1984)
- Assoc. professor (AUTH 1984-1993)
- Professor (AUTH 1993-2009)
- Visiting professor (University of Thessaly-GR)
- Emeritus professor (post graduate courses 2009-ownwards)

He has worked as consultant construction engineer since 1968 designing a lot of buildings (dwellings, flats, schools, industrial etc.) He has been actively involved in fire design of buildings since 1975. He has worked as a valuer (consultant) in the valuation company MENTWR.

TECHNICAL BODIES-LEARNED SOCIETIES

Member of the Technical Chamber of Greece, the Institution of Greek Civil Engineers, the CIB-W14 Committee (Fire), the CEN-TC127 Committee (Fire Safety in Buildings), the ISO-TC92-SC4 Committee (Fire Safety Engineering), the ISO-TC92-WG14 (Large open fires), the CEN-TC127 Committee (Fire safety in Buildings), the CEN-TC191 (Active fire protection). Chairman of the CIB-W14 Subgroup on Historic Buildings. Member of the Board of the Technological Park of Thessaloniki. Member of IAFSS (International Association of Fire Safety Science). Nominated European fire expert (No E 13278 H). Chairman of the Board of the Greek Chartered Surveyors Body (1997-2006). Member of the Board in the valuation company MENTWR. (1995-1997)

ACTIVITIES

He was teaching Building Construction & Building Physics, Fire Engineering, Safety and Health in Construction, Conservation of Cultural Heritage and Valuation in the Civil Engineering Department of ARISTOTLE UNIVERSITY (Thessaloniki-Greece). He took part in many activities concerning structural and fire engineering in Greece and all over the world giving lectures, papers and counsel (ICOMOS, EEC, EGOLF, CEN, CIB, ISO, IAFSS etc.). He has been co-coordinator or member in several national and European research projects in the field of Civil and Fire Engineering.

He was the chairman of an experts group inside CIB-W14 with the task of preparing an international Code on Fire Protection of Historic Buildings and Sites. He was the chairman of the Editing Committee of the first Greek Fire Regulations (1987) and for their first revision (2008). He has organized several international meetings and

Conferences in Greece. He has been vice-president of the Board of the National Petroleum Company. He has been also president of DIAXON Board, member of National Petroleum Group Companies. He has been president of the Greek Body of Sworn-in Valuers, member of TEGoVA.

PUBLICATIONS

He is the author of more than 50 technical papers published in Greek and international journals and proceedings and of four books on the topics of construction, environment and fire.
